THE DRINK EVIL IN THE TRANSVAAL. Johannesburg correspondence of The London Times.

Johannesburg correspondence of The London Times.

The new law will come into operation on January I, 1857, and from that day it will be tilegal to supply any intoxicating drink—beer, whiskey, etc., to natives. In the mining and outlying districts all the canteens will be abolished, and thereby the greatest curse in the land will be removed. There has been some excitement as to whether the all-powerful and influential. Heatherley Distillery proprictor (wbs travelled in haste by special train from Cape Town to Pretoria) would be able to prevent the passing of the bill; but, thanks to the strong representations of the mine-owners and the good sense of the fifteen members of the First Volksraad, the measure was passed by a majority of five votes—life, in against. With reference to the commercial aspect of this new liquor law, it is of such importance that a large number of sold mines would have been that a large number of sold mines would have been compelled to "closs down" within the next series mine laborers are daily absent from work through drunkenness, and in addition to those actually absent, another 5 per cent are rendered insensent, and through the mine. At present near every sold mines of any magnitude a canteen exists, which supplies drink—or, rather, polson—composed of a per cent of any magnitude a canteen exists, which supplies drink—or, rather, polson—composed of a per cent and the sale of this liquor to natives. The canting that the manually fact that h

WHY THEY LEAVE.

From The Chicago Journal. "Mrs. Mingo is a charming woman, isn't she?" Indeed she is, but I notice none of her admires a main long in her train."
"But they may have been a their own account." t they never leave of their own accord."
